

MISSION STATEMENT

The Islip Public Library is committed to supporting educational objectives, lifelong learning, and the enrichment of leisure time for residents of all ages. An expert and enthusiastic staff is dedicated to providing access to a wide range of relevant and high-demand materials, technological resources, programming, and exhibits that reflect the needs and interests of the community. The Library seeks to be a welcoming destination place in the community that delights, inspires, and informs as it enriches the lives of residents. Special emphasis is placed on stimulating an interest and appreciation for reading, preserving Islip history, and exemplifying the role that libraries can play in our society.
